## **Institutional Distinctiveness**

- The vision of the institute is to dispel darkness through dissemination of knowledge.
- This is relentlessly done for the last 51 years.
- The setting of the institute is far from the urban centers and it helps to address the needs of the weaker sections of the society.
- The major chunk of the beneficiaries includes SCs BCs STs and BCs.
- It also enlightens many girl students consistently.
- It prepares the downtrodden for the uphill tasks of the competitive society through skill development and job training centers.
